## Notes

A request for a Development Control Forum must be based on planning reasons. A Development Control Forum will not be held where the petition expresses and in-principle outright objection to the application with no suggestions for a compromise solution.

The purpose of the Development Control Forum process is to enable petitioners and applicants to give their views and to provide the means by which consensus can be built between the parties.

To be eligible for a Forum, at least 25 local residents must have signed the petition. Each person signing the petition will need to provide their name and an address within the boundaries of Cambridge City Council. Any signatures that do not include this information will not be counted.

Guidance information about the Development Control Forum process is available from the Council, by following the link [Petitions and development control forum - Cambridge City Council](#) or by contacting the Democratic Services Department on 01223 457013 or by e-mail at [democratic.services@cambridge.gov.uk](mailto:democratic.services@cambridge.gov.uk)
